PASSION

A free-style rap in 3 with a chorus mostly in 4.

I saw the Passion of the Christ;
The thorns, the beatings. Oh the price
He paid for all my sin,
So that I might enter in
To his eternal dwelling.
And that is why I'm telling
The world about my savior
And how he gave me favor
To be who I ought to be,
To be saved, to be his, to be free.

Lord, give me a passion for your Christ;
A need, a desire to be nice
To ev'ryone around,
To all who hear the sound
Of my voice as I shout it,
There is no doubt about it:
He has forgiven me.
His child I delight to be.
Lord, let people hear your voice
As I tell them about your joys.

Lord, give me a pas-sion for your pas-sion. Give me grace to tell of your

grace. Give me mer-cy and love, com-pas-sion. Let my face In all your

glo-ry Be a re-flec-tion of your face.
